Hi Justin,

I was suprised they didn't ask you before for it, you got lucky.

I'd suggest sitting down and talking to Gail in person and describing exactly what you're doing in the space.

If you need to get all the other insurance policies you may need to talk to an insurance broker about coverage.

Thanks,
Aaron

Hi Angelina & Aaron,

Thank you for meeting with me and assisting us to grow the NoHo ArtWalk! Both of your contributions to this are greatly appreciated (=

Gail & JH Snyder Property Management are now asking for 4 Tier Insurance Coverage in order to continue donating the event space at the Art Institute for the NoHo ArtWalk. I have attached their letter for you to see.

I'm trying to find out about this type of insurance and wanted to know if you had any leads on what I can do to accomplish this?

I'm using Event Helper right now, but they do not provide Auto, Umbrella, or Worker's Comp.

They are also throwing this at us one week before the next ArtWalk so we have limited time.

Thx for your help!
